The Peloso-Barnes Group at Morgan Stanley

---

Julia founded The Peloso-Barnes Group at Morgan Stanley in order to provide competence, comfort and continuity for clients. Her team is one of the most diverse at Morgan Stanley, she has appeared at the Barrons Top Advisory Teams Summit, and her team has been profiled in Bloomberg Businessweek, Fortune and Money. Julia has also been recognized as a Five Star Wealth Advisor for three consecutive years.

Julia has a love of teaching and a passion for breaking things down in order to understand how they work. Over her career she has observed that many things that can not be measured and analyzed with statistical models have been ignored and/or dismissed. Her experiences have solidified her conviction that people's behavior cannot be accurately predicted with algorithms and statistical models.

Julia earned an M.B.A. at NYU, and has earned and maintains multiple professional accreditations, including CERTIFIED FINANCIAL PLANNER® and Certified Portfolio Manager®. She taught in the CFP program at Pace University for ten years.

Julia lives in Bronxville, NY with her wife Patty. As avid N.Y. Liberty fans they never miss a home game.

Five Star Professional, as a third party research firm, identified pre-qualified award candidates based on industry data and contacted all identified broker dealers, Registered Investment Advisor firms and FINRA-registered representatives to gather wealth manager nominations. Self-nominations are not accepted. Award candidates are then evaluated against 10 objective eligibility and evaluation criteria associated with wealth managers who must have a minimum of five years' experience as an investment adviser representative or other accepted credentials, client retention rates, client assets administered, firm review and a favorable regulatory and complaint history as defined by Five Star. Five Star Professional determines the final list of Five Star Wealth Manager Award winners. The Award does not evaluate the quality of services furnished to clients and it is possible that the recipient may have received unfavorable ratings from those surveyed. Five Star Professional collected the information for this Award through surveys it conducted.

- Wealth managers and/or their firms do not pay a fee to be considered or placed on the final list of Five Star Wealth Managers.
- The Five Star award is not indicative of the wealth manager's future performance.
- Wealth managers may or may not use discretion in their practice and therefore may not manage their clients' assets.
- The inclusion of a wealth manager on the list should not be construed as an endorsement of the wealth manager by Five Star Professional.
- Working with a Five Star Wealth Manager or any wealth manager is no guarantee as to future investment success, nor is there any guarantee that the selected wealth managers will be awarded this accomplishment by Five Star Professional in the future.
