BMO Global Asset Management

Let's start a conversation

Christopher Jenks, CFA®
Client Portfolio Manager
BMO Global Asset Management

115 S. LaSalle St., 11th Floor
Chicago, IL 60603

BMO Global Asset Management believes better conversations result in better outcomes. We seek to enhance your conversations with ideas, access and ease.

- **Actionable ideas** to grow your business
- **Access** to our investment teams
- **Easy-to-tailor content** to showcase your value

As a client portfolio manager for the BMO Disciplined Equity Team, Chris is responsible for providing clients, prospects and consultants with ongoing updates and insights on the team's investment process and performance.

Chris began his investment experience in 2007 and joined the company in 2016. Prior to joining BMO, Chris served as director of investments at Embree Financial Group and as vice president and investment strategist at Northern Trust Global Investments.

Chris holds a B.S. in finance and marketing from DePaul University. He is also a CFA® charterholder and a member of the CFA Institute and the CFA Society of Chicago.
