

Biography

Linda Shick, CIM®

Senior Vice President & Portfolio Manager, Private Client Group
Angas Shick Group of Raymond James

Linda Shick has been serving high net-worth clients, including senior executives and business owners, since 1990. She is very pleased to be aligned with Raymond James, which has a client-centric focus and shares the team's core values of integrity, independence and conservatism. With an Honours degree from Wilfrid Laurier University and the Chartered Investment Manager designation, she is a Portfolio Manager and is also certified to offer cross-border investment solutions. Linda is an active swimmer, cyclist and recreational runner. She contributes to a number of community projects and serves on the Board of Directors at the St. Felix Centre in Toronto.
